Andy Marchese explained the owner would like to pave the driveway to meet the parking needs for 4 family dwelling.

Andy Marchese explained Mr. Lawson came to the Building Department to apply for a permit for the garage, at that time it was discovered he could not meet the side yard setback requirement.

Wendell Lawson present to speak on his application. Mr. Lawson explained he cannot use the garage due to crack in the floor of the foundation. He needs to store his vehicle in this garage.

No one present to speak in favor or opposition. The hearing was closed and discussion held.

Carl Slusarczyk made a motion to grant the variance for a two foot side yard setback, due to lot configuration, with the stipulation that the tires be removed from the property. Bruce Skivington seconded the motion, motion carried by unanimous vote.

Andy Marchese presented a memorandum from Len Tundermann, the Town Planner. Memo marked exhibit A.
